SADRŽAJ PRVOG DELA

Transkontinentalna železnička pruga gradila se preko nepreglednih prostranstava zapadne divljine. Radovi su već mesecima paralisani. Kompanija transkontinentalne željezničke pruge ulaže velike napore da se radovi nastave. Tajanstvena banda Crnog Vilsona sprečava nastavak radova, nahuška rančere i indijance protiv kompanije i nastaje bitka na život i smrt dok se pruga izgradila do Noting sitija. Ovde se rešava sudbina transkontinentalne željezničke pruge! Rančeri protiv graditelja, rančeri protiv rančera a iza svih, lukavi potezi tajanstvene bande! Ipak se sve raspleslo u čemu je glavnu ulogu odigrao nepobedivi kauboj Srećke Munja!.

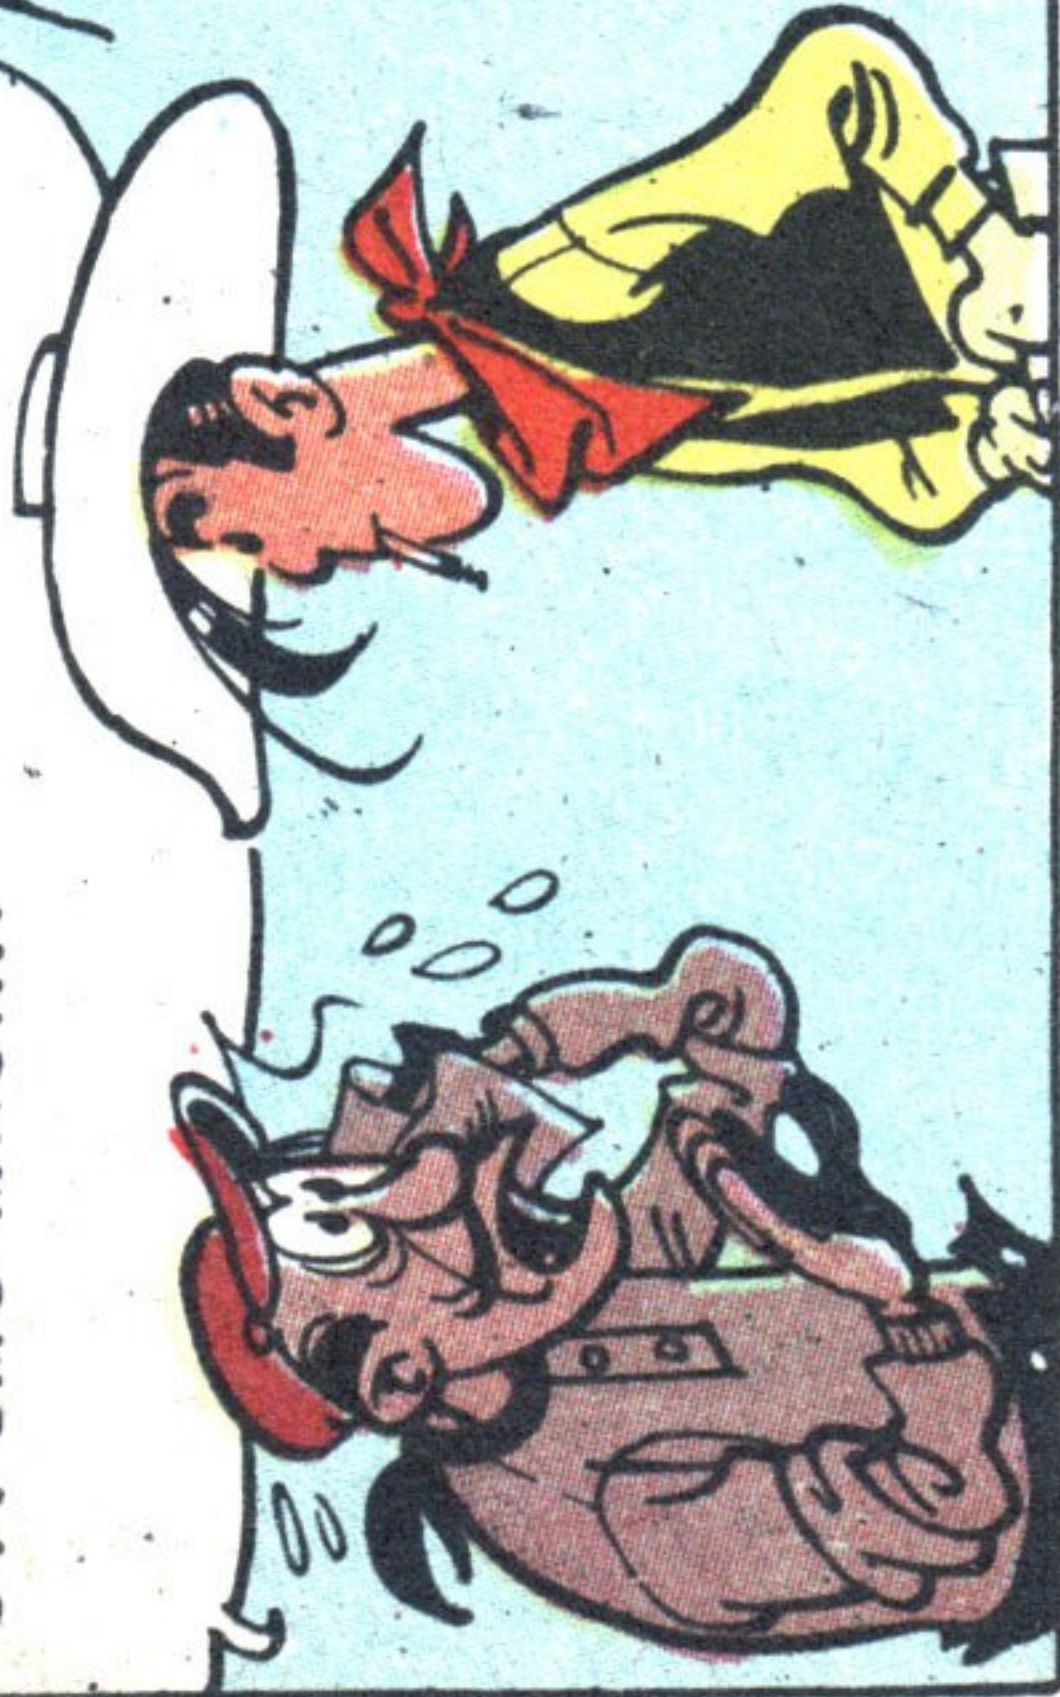

Srecko Munja triumfuje

ŠTA JE, ŠTA SE DOGODILO?

VELIKA NEPRIJATNOST,
SREĆKO! MI SMO BAŠ POSTAV-

I ZAISTA...

NAFTAI CRNO

SREĆA ZA NAŠ
GRAD.

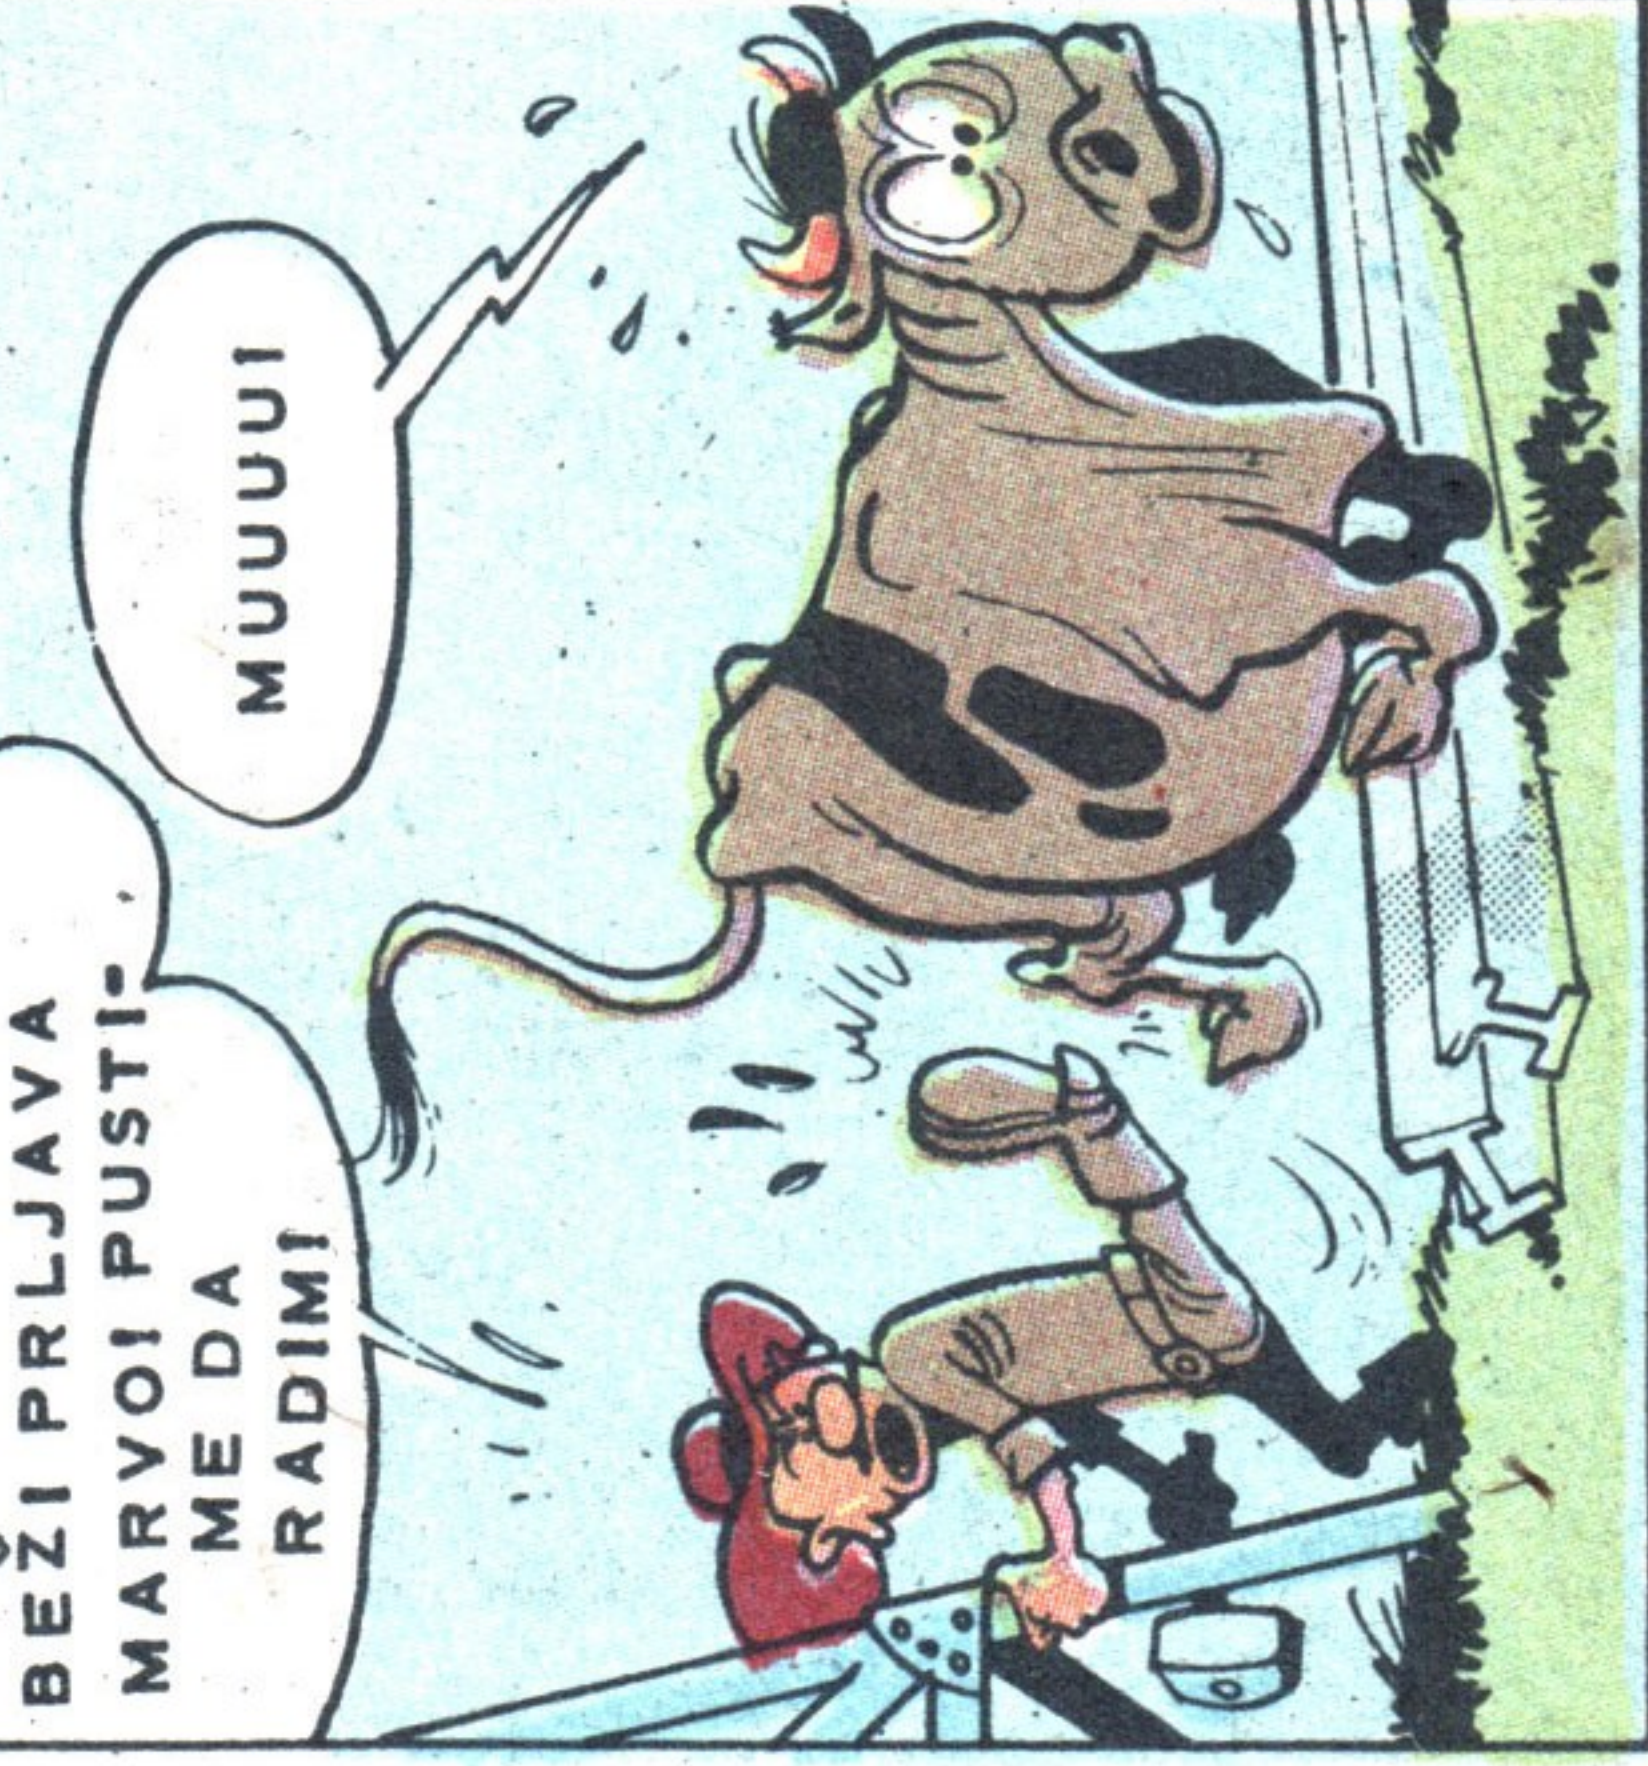

USKORO SU TORNJEVI NIKLI KAO
KOROV OKO GRADA.

ŽALOSNI PRED SLOMOM SVOJIH
RDJAVIH NAMERA.

I ŽIVOTINJE SU OPLAKIVALE PO
PAŠNJACIMA, GDE SE SADA OSEĆAO
JAK MIRIS NAFTE... CRNOGA ZLA
